- Corporate advisory and commercial
- Copyright
- Disputes

Profile

After working as in-house counsel for Apple, Inc. and as a partner of a national firm, Peter joined Banki Haddock Fiora in 2009. He has over 30 years experience in technology and intellectual property industries, including in pharmaceutical, IT, research organisations, government, and major public and private companies. Peter has extensive experience in all aspects of contracts for the development, licensing and supply of intellectual property. He also advises in technology-related disputes. Peter acted for Apple in the leading case *Computer Edge Pty Ltd v Apple Computer Inc* (Wombat case) and has been repeatedly recommended as a leading lawyer in both information technology and intellectual property by publications such as *Chambers Global* and *The Asia Pacific Legal 500*. Peter is also the author of *Copyright – Laws of Australia*.
